*Marjorie Riley, President*  
*Andy Jones, Vice President*  
*Karen Haas, Treasurer*  
*Colleen Dunn, Secretary*

*Kirstin Bulich, Membership*  
*Wendy Casalino, Teacher Liaison*

The Catskill Athletic Booster Club was formed in 2007 to promote physical fitness, athletics, sportsmanship, and cooperation between the Catskill Central School District students, coaches and parents for the benefit of the children of Catskill.

The mission of the Booster Club is to seek to provide an opportunity for all students in the Catskill Central School District to participate in physical activities; to support and strengthen the school district's sports programs; and to increase school spirit.

Over the past year, the Booster Club together with the school district provided softball, baseball, basketball and soccer summer camps to elementary school students. We also worked with the school district to create modified softball and baseball teams for this coming school year. In addition, the Booster Club paid for part of the cost for high school students to participate in summer basketball leagues.

Booster Club Meetings are held on Tuesdays at 6:00 pm in the CHS Library. Membership in the Booster Club is open to any adult or student interested in the progress and development of the athletic programs of the Catskill Central School District. Meeting dates are listed below and are also on the school calendar on the school website (Catskillcsd.org).

September 9  
October 14  
November 4  
December 9  
January 13  
February 10  
March 10
