Attached please find information regarding our Therapeutic Foster Care program. We are currently recruiting for foster care families in the Greene County area.

Your willingness to prominently display our poster and pamphlets in your schools (teacher lounges, front offices, etc.) would be greatly appreciated and would help us to spread the word that foster parents are needed in Greene County.

If you have any questions regarding our program, please feel free to contact us. Our goal is to make as many people in Greene County aware of the many children in need of foster care who need loving, supportive homes.

Please review the information, and if you are willing to support us, call and let us know how many pamphlets and posters we can send you.

Sincerely,

Mickey Kayser
